## Background of the

*Joshua Duke*

### Memorial Scholarship Fund & Benefit

*Joshua Duke was a brilliant young 26 year old landscape architect, who was in a fatal motorcycle accident on October 19, 2002.*

*Joshua's parents, Scott Duke and Karey Claghorn, established a scholarship fund to help other outstanding students in the Purdue University Landscape Architect Program with financial assistance needed to further their education. Joshua's passion for his work also carried over to his chosen fraternity, FarmHouse. A gift will be made to a FarmHouse man every year. Josh's presence in both Purdue and FarmHouse were outstanding.*

*The Memorial Benefit began in August of 2004 and the Golf Outing was added in 2005. With great success over the past four years this event has raised over \$35,000 for the Memorial Fund. We are grateful to our many sponsors and volunteers who have donated so generously since the Memorial Fund was created.*

*Joshua had an incredible zest for life and a tremendous love for his friends and family. The world lost an amazing person with many talents. He has left a mark on our hearts that will never be forgotten.*
